RESEARCH'S APPROACH TO QUALITY

May 9, 2011

Via FedEx 797076523891Maria Gonzalez, Associate General Counsel  
US Environmental Protection Agency - Region 5  
77 West Jackson Boulevard  
SE-5J  
Chicago, IL 60604-3590Re: U.S. Scrap Site ID # 0528 Demand Letter to The Glidden Company

Dear Ms. Gonzalez,

Please accept this letter on behalf of Akzo Nobel Paints LLC, fka The Glidden Company in order follow up to my voice mail messages and to respond to the USEPA's letter of April 21, 2011 regarding the above referenced matter.

As I indicated in my messages, we are still in the process of investigating this matter to determine the nature of the relationship, if any, between The Glidden Company nka Akzo Nobel Paints LLC and the U.S. Scrap Site in Chicago, Illinois (the U.S. Scrap Site).

I submit this letter to seek additional information in relation to the nature of the contamination at the U.S. Scrap Site Great Lakes Site and the alleged nexus between the U.S. Scrap Site and The Glidden Company. Specifically, please provide any additional documentation that demonstrates the nature of the relationship between The Glidden Company and the U.S. Scrap Site including but not limited to manifests, shipping papers, receipts, invoices, purchase orders and related documents.

All future inquiries or requests regarding this matter should be directed to me at the address provided.

Thank you for your assistance in this matter.

Very truly yours,

Debra J. Rubenstein  
Senior Regulatory Counsel, HSEPA
